**G-MECH Services Pte Ltd** was established in September 2015 to provide NDT Level 3 Consultancy, Training, Examination & Auditing Services for the Aerospace and General industries. Our consultants, instructors, examiners and auditors hold valid ASNT, PCN/AERO, NAS 410 and EN 4179 Level 3 certifications and have extensive industrial knowledge and experience to complement their qualifications.

**G-MECH Services Pte Ltd** is certified to ISO 9001:2015. Our scope of certification includes:

- a) NDT Consultancy and Training services;
- b) Qualification of NDT Inspectors to Levels 1, 2 and 3.

**G-MECH Services Pte Ltd** is also an Outside Agency approved by the Singapore National Aerospace NDT Board to conduct Levels 1, 2 & 3 Training and Examinations in accordance with EN 4179 and NAS 410 qualification schemes.

**G-MECH Services Pte Ltd** holds a CAAS Maintenance Organisation's Approval for D1-Non-Destructive Testing (FPI).

Our services include, but are not limited to:

- Conducting Training and Qualification Exams for NDT Personnel in satisfaction of:
  - a) NAS 410 and EN 4179 for Levels 1, 2, and 3 in PT, MT, ET, UT & RT methods (Aerospace Sector).
  - b) ASNT SNT-TC-1A for Levels 1, 2 and 3 in PT, MT, ET, UT & RT methods (General Sector).
- Providing NDT consulting services to our clients;
- Performing Responsible Level 3 and Additional Level 3 roles and responsibilities;
- Commissioning & Auditing of NDT processes and facilities;
- Providing non-conformance support and responses to clients;
- Providing Nadcap support to clients;
- Developing, Reviewing and Approving NDT Written Practices, Procedures and related Forms;
- Conducting Technical Evaluation, Surveillance and Proficiency Assessments of NDT personnel;
- Providing third party surveillance and evaluation of NDT procedures and inspection;
- Arranging manpower support for clients.
- Providing Fluorescent Penetrant Inspection services for the Aerospace Sector under CAAS Maintenance Organisation's Approval (No. AWI/444).
